

Anti-Racism Series

COMMUNITY CONVERSATIONS

Join Us for the Series Finale and Future Actions

Help us create an anti-racist PLEDGE for our Community. We want your input! This pledge will spur accountable actions that will help make a difference in Newburyport becoming a more diverse, equitable, and multi-cultural community.

After we create a ONE WORLD PLEDGE for our City, we will discuss next steps, commitments, and how we can encourage more people to join us.

We believe that ONE VOICE AT A TIME makes a chorus, and a chorus needs every voice to be heard.
