You might have to work, but your child will be living their best life and coming home tired in the BEST possible way!

- I can sit safely in my seat on a school bus for long durations.
- I can pack by own bag and keep track of my own belongings.
- I can wait for extended periods while maintaining focus.

### **Inclusion Policy**

The YWCA values inclusivity. We acknowledge that for safety reasons our summer trips program design requires children to be independent and self-managing within the staff/child ratio (6 years is 1:5 /7-13 years is 1:10). The YWCA does not have the staffing to provide 1:1 support. We have an inclusion specialist working full time providing guidance and training to staff and ensuring strong intentional support for the group. Parents should reach out to the Program Director with any/all specific support needs to ensure appropriate accommodations are available.

*\*The YWCA reserves the right to determine if its program can meet the individual needs of each child and to release a child from the program if there is significant safety concern.*
