

Heart to Heart: Newburyport Remembers Uvalde Families

A PEG COMMUNITY ART PROJECT

The Huddle and the PEG Center promised to honor and never forget the families of the children and teachers at Robb Elementary School in Uvalde, TX, In February 2023, we are creating "Heart to Heart: Newburyport Remembers Uvalde Families," a Community Art Project for children, families and adults.

We will provide paper hearts for people to write and decorate. After we collect all of the hearts, the Community Art Project team will link the hearts together in a chain. The chain will first be displayed at the PEG Center, and then sent to Uvalde to show we remember.

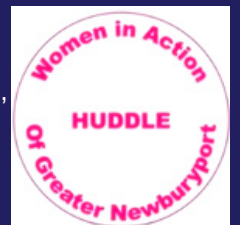

February is the perfect time for this Community Art Project because it is Moms Demand Action Survivor Awareness Month, as well as American Heart Month, and the month of Love. *Join Us!!*

The Women in Action Huddle of Greater Newburyport is a support and activist group, part of the non-profit organization, the PEG Center for Art & Activism. It encourages women, girls, and allies to participate in social activism and community initiatives while being supported in a friendly, loving group. Through monthly meetings, fund-raising projects, environmental actions and community service, we work for all of humanity and the environment. ALL ARE WELCOME ~ WE ARE GENDER INCLUSIVE. Donate to the PEG Center at www.paypal.me/pegcenter.
