Back and better than ever! Welcome to the YWCA's relaunch of our EPIC summer camp. We are a well-rounded and whole hearted traditional day camp for elementary-aged kids. We believe that summer vacation should be filled with fun, friends and memories. We plan the most EPIC activities that we can think of and then……..enjoy every second of it alongside your campers! Your kids won't just be busy, they'll be happy!!!

**our staff**
We know that summer should be fun, exciting and filled with the best memories. Those memories start with an amazing staff team! Many of our staff work year round; their wealth of experience and skills is coupled with consistency. Our commitment to low ratios of campers to counselors allows us to build the highest relationships and create a warm supportive community.

**weekly activities**
Our multi-age program offers a rich, engaging array of activities and experiences within a fun developmentally appropriate program model. Activity choices include playground time, water play, cooperative group games, creative art, social enrichment, specialty classes and themed activities. Our own Miss Ramona and Miss Ilene will visit each week to offer ZumbaKids and Yoga. We'll have the sprinklers going each afternoon to keep cool. Our staff team is creating EPIC themed events for each week (like "bubblemania" and "carnival craze" just to name 2)! Nourishing the North Shore will be coming in each week with a curriculum inspired by nature just for us! And we will end each week with rock climbing at Metro Rock and swimming at the YWCA. It is sure to be a fun filled summer!

The YWCA reserves the right to change, postpone or cancel camp activities at any time due to unforeseen circumstances.
