

Dear Members:

We are thrilled that things are returning to normal as more and more people are vaccinated.

We look forward to working with you to improve your health, whether it is through exercise, childcare or housing.

As of June 7th:

- 1) Please do not enter the YWCA if you are experiencing the symptoms of COVID 19.
- 2) Please continue to wear a mask in our lobby.
- 3) Beyond our lobby, please continue to follow current CDC guidelines which includes wearing of masks at all times for non-vaccinated members and staff.

Thank you.

John Feehan
Executive Director
YWCA Greater Newburyport
