Our Camp

Welcome to the YWCA's **EPIC** summer adventure of 2022!

our staff

We know that summer should be fun, exciting and filled with the best memories. Those memories start with an amazing staff team! Many of our staff work year round; their wealth of experience and skills is coupled with consistency. Our commitment to low ratios of campers to counselors (5 to 1) allows us to build the highest relationships and promote an inclusive community.

swimming

Water can be the #1 ingredient in a fun summer, so we'll be enjoying lots of it with a scheduled swim time each afternoon from 4-4:45pm at the YWCA pool. We will also be spending our Wednesdays enjoying a relaxing day of sand and sun as we rotate visits to Kingston Lake, Harold Parker and Hampton Reservation. At the YWCA we know that a successful swimmer is having fun in the water, so that's where we'll begin. Our experienced aquatics team will support campers while they gain confidence and comfort at their own pace.

camp description

Our camp is based in our year round childcare site at the Bresnahan School. The school is climate controlled and includes a full size gymnasium as well as ample outdoor space with 2 playgrounds on property. Our camp space is designed for PLAY which allows us to complement our EPIC trips with plenty of free time to explore and create. Our camp is a carefully curated balance of adventure and lazy summer days. Kiddos can expect beach days, special guests, swimming, picnic lunches at local parks, silly camp events, free play and lots of popsicles!!! Your child will come home tired in the BEST possible way!

The YWCA EPIC Summer Camp reserves the right to change, postpone or cancel camp activities at any time. Due to unforeseen circumstances some activities may not be available.
