

YWCA IS ON A MISSION

summer camp 2023 6 – 11 years old (entering 1st grade – entering 6th Grade)

camper registration fee: \$30

This camp complies with regulations of the Massachusetts Department of Public Health and is licensed by the local department of health.

The YWCA Summer Camp does not provide 1:1 aides. Please reach out to the Camp Director if your child has support needs. The YWCA reserves the right to determine if their program is a good match for each individual camper.

program description

Our summer camp is a trips program and we will be heading out on an array of EPIC adventures! From wild times at trampoline parks, laser tag arenas and inflatable gyms to chill days on the beach, in a movie theatre, or even visiting Yankee Homecoming, camp will be action packed. And whenever we aren't adventuring, we will be enjoying special guests and events in our climate-controlled home-base at the Bresnahan School with access to a full-sized gymnasium and plenty of outdoor space with a playground. Camp also has a dedicated open swim time at the YWCA pool each afternoon. You might have to work, but your child will be living their best life and coming home tired in the BEST possible way!

We know that summer should be fun, exciting, and filled with the best memories! Those memories start with an amazing staff team! Many of our staff work year-round; their wealth of experience and skills is coupled with consistency. Our commitment to low camper to counselor ratios allow us to build the highest relationships and promote an inclusive community.

Weekly itineraries are emailed to participants the week prior to their registered session. Featured trips listed below will be for the entire camp. There may be times when campers are divided and sent on different adventures that are age and developmentally appropriate. All trips are tentative and subject to change. The YWCA reserves the right to change, postpone or cancel activities at any time.

rates

	member	community
Camper Registration Fee	\$30 per camper <i>(non-refundable)</i>	
Per Session Rate	\$500	\$525

Registration Fee includes a camp t-shirt that must be worn daily. Replacement t-shirts will incur a \$10 fee.

VI – August 7-11	Sky Zone / AMC		

*******No camp session the week of July 4th*******

Enrollment Process

Our summer program does not provide 1:1 aides. Successful campers are independent within a group ratio of 1:10. The YWCA reserves the right to determine if the trips program can meet each child's individual needs. Please reach out to the Camp Director if your camper will require any special support. Our goal is to set each camper up for success!

Monday, March 13, 2023 - 1st Round Priority Registration (returning campers)

Monday, March 20, 2023 - 2nd Round Priority Registration (YWCA members and current S.O. participants)

Monday, March 27, 2023 – Registration Opens to the General Public

Registration is in our online registration portal (Community Pass). You will need to set up a family account in Community Pass if you don't already have one and you can do this at any point by going to our website at www.ywcanewburyport.org and clicking on the online registration button which will bring you to community pass and ask you to sign in or allow you to create an account.

Our online registration system doesn't support a 3-pronged priority, so all registrants will be automatically put onto a camp waitlist to ensure that campers are registered based on the preferences listed above. If registering during the month of March, please allow for up to 1-week to see if your registration is accepted. Once accepted, the system will email you and you will need to go into your account and pay your tuition fees. Slots will not be held without payment.

Once registered online, you will need to complete all necessary intake paperwork and return it to the Program Director by June 1st.

Paperwork that needs to be on file includes:

- Intake Packet
- Current record of a physical within the past year with immunizations
- Any applicable supporting documents/medications (ie. custodial orders, restraining orders, individual healthcare plans for children with allergies or medical issues, medications that will need to be kept onsite, supportive and/or adaptive plans).
